

VETMIC® - NOPS – Analytical Reports - INDEX

Our commitment to product quality is demonstrated through our thorough testing process, conducted by the esteemed **Laboratoire des Courses Hippiques (LCH)** in France and the **LGC Group** in the UK, both recognized as **FEI** (*Fédération Equestre Internationale*) reference laboratories. Each of our products undergoes rigorous scrutiny to ensure compliance with regulations regarding prohibited substances.

Contained within this document are detailed analyses of the most recent batch numbers of our products, arranged in chronological order. This information provides transparency and reassurance regarding the safety and integrity of our products.

For those seeking additional information or clarification, please visit our website at www.vetmic.com.

Alternatively, feel free to reach out to us directly via email at info@vetmic.com. Our team is readily available to address any inquiries or concerns you may have.

Certificate of Analysis No¹: 201317

Date of Issue: 15-June-2026

15-June-2026

VITAMIC Europa S.L.

Ptda. Cap Negret 61

03590 Altea

SPAIN

Delivery Date: 09-June-2026

Date Analysis Commenced: 09-June-2026

Purchase Order number:*

Laboratory Reference: 1799287

Customer Reference: VETMIC CLASSIC/ HORSES

Service: LGC Feed Screen

Batch Number: VT010326

Expiry Date: 30-September-2027

The sample was analysed using documented LGC screening methods for the compounds as per requested service below and as specified in Testing Specification: Animal Feeds, Animal Feed Supplements and Associated Raw Materials V4

Analytical Result²:

Compound	Result Outcome (ND = Not Detected)	Compound	Result Outcome (ND = Not Detected)
Atropine	ND	Norpseudoephedrine	ND
Bufotenine	ND	Oripavine	ND
Caffeine	ND	Papavarine	ND
Cathinone	ND	Phenylephrine	ND
Dimethyltryptamine	ND	Pseudoephedrine	ND
Ephedrine	ND	Synephrine	ND
Hordenine	ND	Thebaine	ND
Hyoscyne	ND	Theobromine	ND
Lupanine	ND	Theophylline	ND
Methylbufotenine	ND		
Morphine	ND		
Norephedrine	ND		

For further information on Analytical Result definitions, refer to Section 3 of the above Testing Specification.

Additional Commentary³:

None
